Standing Rock Service Unit has completed Indian Health Services & Tribal Healthcare Workers and we will be moving into the ELDERS 65 & OVER & Fluent Speakers, Healers, Pastors & Clergy as per Standing Rock Sioux Tribe. (SEE Schedule)

ONCE all of these Phases have been vaccinated then we will start with vaccination of essential frontline workers and high risk prior to the General Public. At this time, we do not know when that will occur. It is IMPORTANT for public to continue wearing a mask or face covering at all times, practicing social distancing and washing or sanitizing hands frequently. We will announce any changes as soon as we become aware of them.

We thank you for your patience and understanding, Stay Safe!
